Welcome to the North Shore Art Crawl 2015

Louise McLay

The North Vancouver Community Arts Council is proud to present the 2015 North Shore Art Crawl.

The NVCAC is a vibrant and active organization that strongly believes in reaching out to all community members and connecting them with the imaginative, educational and visionary experiences of the arts.

In 2014, the North Vancouver Community Arts Council took over the reins from Norman Vipond and Sandrine Pelissier, in the organization and promotion of this popular event. This opportunity offers community members access to studios, giving a glimpse of the creative process in action and allowing the public to engage in conversation with artists.

Welcome to the North Shore Art Crawl. Unfold your maps and embark on a remarkable journey of discovery in our own community.
