HOW TO CRAWL

The North Shore Art Crawl is a full weekend when artists open their studios and welcome you in to see how they work and what they do.

The event spans the geographical area of the North Shore, from Deep Cove to Lions Bay, with over 70 locations to visit. All locations will be open to the public from 10:00am to 5:00pm all weekend.

Many artists will be offering demonstrations or activities at their studios. Check out the listings or the NSAC website for up-to-date details.

TIPS FOR GETTING THE MOST OUT OF YOUR WEEKEND:

- Read through the brochure and plan your route using the reference map of the North Shore (pages 16-19) or the interactive Google map of all locations on our website.
- Look out for the lawn signs and balloons to identify participating locations.
- Wear comfortable shoes.
- Plan a lunch and a coffee break to keep your energy up and reflect on what you see (check out the ads in this brochure for some inspiration!).
- Visiting locations is free, but you may fall in love with a work of art you have to have. Many artists will accept credit cards, but know that cash is always accepted.
- Bring your kids, bring a friend – doing the Art Crawl in good company makes it so much more fun!
- Please respect that you are visiting artists' studios and often their homes.
- Please leave your pets at home.
- Always ask the artist before taking pictures of their work.
- Get social! Tag your Art Crawl photos and posts with #nsartcrawl and follow @nvartscouncil for updates and behind the scenes.
- Don't forget to tell us about your experiences! Go to our website and complete the online survey about the event. You'll be entered to win a one night stay at the Painted Boat Resort Spa & Marina on the Sunshine Coast!
